AXA's noble purpose

***Act for
human progress
by protecting
what matters***

« AXA has an extremely important role in society.

Our new dream should be to become the most committed insurer to our customers, society, and the planet. »

Thomas Buberl
Chief Executive Officer of AXA

Our noble purpose

We act for human progress by protecting what matters

WE PROTECT PROPERTIES

The property-casualty business includes the insurance of personal property (cars, homes) and liability (personal or professional). It covers a broad range of products and services designed for our individual and business clients.

WE PROTECT PEOPLE

Our individual and group life insurance policies encompass both savings and retirement products, on the one hand, and other health and personal protection products.

WE PROTECT ASSETS

The asset management business involves investing and managing assets for the Group's insurance companies and their clients, as well as for third parties, both retail and institutional clients.

Diversity & Inclusion

We see diversity as a strength

Everyone is welcome at AXA. We are against any form of discrimination. More details in our [D&I- Policy](#).

We focus on Inclusion, as we are convinced that we collaborate better when we can bring our whole selves to work.

We work on the following themes: gender, generations, disability, ethnic diversity, sexual orientation and – identity.

We currently focus on putting in place more role-models from different minority groups.
